ICY BOX® IB-MS701-T

Monitor stand for one monitor up to
57" and 27 kg

Key features

- Heavy-duty gas spring – can hold a single monitor up to 57" (144.8 cm screen diagonal) and 27 kg
- Quick-release joint – for easy mounting of the arm
- Removable VESA® plate – for easy installation and removal of the monitor
- Spring tension mechanism – for perfect weight adjustment
- Table grommet/clamp base – suitable for most height-adjustable desks
- 90° monitor rotation – provides the best viewing angle

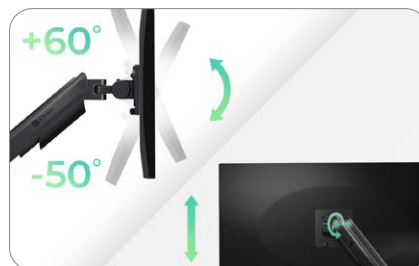

Packing content

1x IB-MS701-T
1x Screw set
1x Manual

Heavy-duty support for large monitors

Built to handle large screens, the IB-MS701-T supports monitors up to 57 inches and 27 kilograms. It provides a stable and secure hold, making it a reliable choice for heavy-duty setups in both office and creative environments that demand large displays and consistent performance.

Effortless height and angle adjustment

With its integrated spring tension mechanism, the stand allows smooth and precise movement, letting you easily adjust the height and angle to suit your needs. You can raise, lower, or reposition the screen with minimal effort, making it simple to create the most comfortable and focused workspace.

Ergonomic viewing position

Position your monitor exactly where you need it for better posture and comfort. The stand lifts your screen to eye level, helping reduce neck and shoulder strain during long work sessions. Its 90-degree rotation and adjustable tilt offer personalized viewing that supports healthier and more comfortable screen time.
