

PALLAD 570

GAMING BACKPACK

PRODUCT FEATURES:

- Functional backpack with a laptop and accessories compartments, which, thanks to the clothing compartment, is perfect as carry-on luggage for flights, weekend trips, or the gym.
- The laptop compartment for up to 17.3" is lined with soft material to protect your equipment from damage and shocks.
- Multiple pockets for improved organization.
- The front compartment allows you to pack your clothes.
- A tie-up pocket made of waterproof fabric, perfect for shoes, cosmetics, or wet items.
- Made of durable and waterproof material.
- Ergonomic foam-padded back panel and adjustable, reinforced shoulder straps with reflectors.
- Two front pockets for handy items and drinks.
- Equipped with a reinforced top and front carry handle, an adjustable chest strap, and a trolley system.
- Side compression straps
